

Applicant: Cracknell et al.
Application No.: 10/587,873

REMARKS

The claims of the present patent application have been allowed. The above paragraphs of the specification have been added to include brief descriptions of figures 8 and 9. Applicants submit that no new matter has been introduced into the application by this amendment, and respectfully request that this amendment be entered pursuant to 37 CFR 1.312.

Applicant: Cracknell et al.
Application No.: 10/587,873

Conclusion

Applicants respectfully request that the Examiner allow the foregoing amendment pursuant to 37 C.F.R. § 1.312.

Respectfully submitted,

Cracknell et al.
